Auctioneer’s Note:

As we approach the hunting seasons & holidays, we will be slowing down our gun sales. It looks like the November 6 Gun Sale will be our last Modern Sporting Sale for the year as the schedule looks like we will be doing an Antique/Civil War Weapons Sale in Mid-December. This would slate our next Modern Firearm Sale to be in Early January 2023, so you don’t want to miss our October 27th & November 6th Gun Auctions for a great selection of modern firearms & ammo. 2023 is already looking to be another strong year as we have already contracted several major collections. If you are considering downsizing or liquidating your collection, please contact our office & schedule a time to be part of these outstanding collections being sold!
