Auction Days – Doors Open at 7:30 AM

### **Terms:**

1. The items descriptions for this specialty auction were described and catalogued to the best of our ability. We take a lot of pride in taking as many photographs as possible of the individual lots. Hence, we let our pictures “do the talking”. So, take your time looking over the pictures of the lots you are interested in. We highly advise that you inspect the items personally for accuracy, originality, and condition. If you cannot inspect the items personally, we recommend that you look at our digital catalog found on our website so you can see the detailed photos of the specific lots you are interested in. You can also call our office at 717-334-6941 and speak to one of our staff so that they can look over the items that you are interested in and discuss any questions or concerns that you may have so that you feel confident in bidding on your chosen item(s). Note: We recommend you call the week of the auction, May 13th-17th, for condition reports.
2. It is the sole responsibility of you as the bidder to satisfy yourself on the age, originality, authenticity, and condition of the lot before bidding by either live-in person, absentee, phone or internet bidding. ***Absolutely No Refunds!***
3. We are not responsible for any typographical errors.
4. **No Reserves. All Items will have new owners.**
5. The Auctioneer is the sole determinant of who is the successful bidder.
6. We offer four methods of bidding in this auction.
  - A. Live-In House – You are present in person for the auction
  - B. Phone Bidding – All requests for phone bidding should be made by Friday, May 17<sup>th</sup>, 5:00 PM EST, prior to the day of the auction so we can incorporate you into our phone bid schedule. Our staff will call you Two – Five lots prior to the lot that you are interested in. You will be able to hear the auctioneer so you can bid as you are here in person through our staff.

- C. Absentee Bidding – All absentee bids must be received by Friday, May 17<sup>th</sup>, 5:00 PM EST, prior to the day of the auction. Our staff will bid for you just like you were live in the audience. Our Live-In House audience takes precedence, and we allow our audience to start the bidding process and then we will activate your bid if applicable unless we have more than one absentee bid on that item (i.e. We have a bid for \$500 and one at \$800, the bidding will start at \$600). A lot of times our bidder will get their items for less than the amount they left as their maximum bid. Feel confident when leaving your absentee bid.
- D. Internet Bidding – Internet bidding will be available through Invaluable.com and AuctionZip.com at their terms and subject to a 15% Buyer’s Premium.

**Please Note:** If bidding by 6B, 6C, 6D you acknowledge all the terms and conditions of this auction and understand that we do our best to execute all bids correctly. However, errors are made at times and unforeseen technical difficulties can be an issue. In the event of such an error, at no point will the auctioneer be held liable. Once the auctioneer says “Sold” on that lot, you are the new owner. You are responsible for payment in full. Our staff will contact you One-Three days after the auction to arrange the final payment, packaging, and shipping method. (Packaging and Shipping costs are an added expense). Redding Auction Service Inc. will facilitate packaging & shipping where feasible.

There is No Buyer’s Premium if you bid using method A, B, and C.

- 7. **Pick-Up:** Pick-Up is available at our location of 1085 Table Rock Road, Gettysburg, PA 17325. You Must call our office at 717-334-6941 BEFORE PAYMENT if you would like to pick up.

**Shipping:** Redding Auction Service Inc. Will facilitate Packing and Shipping. Packing & Shipping costs are an added expense. Redding Auction Service Inc. will facilitate packaging & shipping where feasible, but your items could be moved to a 3<sup>rd</sup> party shipper. Shipping can take up to 14 Business Days after we receive your payment. All shipping costs have gone up. We do not attempt to make money on shipping but neither do we wish to lose money on shipping, you must take this into consideration when purchasing an item. Redding Auction Service has minimal packing fees per package, but the shipping cost and Insurance is out of our control and will be billed accordingly.

Note: Packing & Shipping fees are an extra charge & will not be included in the invoices.

All items must be removed within 5 business days of payment. Or, alternative pick-up or shipping arrangements must be made. Items remaining at the auction location longer than 5 business days after payment may incur a storage fee and could be considered abandoned w/payments to be forfeited and the item re-sold.

- 8. Any/all announcements made day of sale take precedence over any printed matter

- 750R. **Serial Number:** 211446 (Gun was built of Hunter’s “R” or Standard sized frame)  
**Make:** L. C. Smith  
**Model:** Grade 3-E **Live Bird or No-Safety Model**  
**Gauge:** 12-Bore  
**Barrel Length/Type:** 32” – Nitro Steel  
**Stock Configuration:** Pistol grip/splinter with perished period Silver’s type rubber recoil pad  
**Trigger/s:** Hunter One-trigger  
**Auto Ejectors:** Yes, Type II  
**Manual Extractors:** N/A  
**Factory Options:** Auto Ejectors and Hunter One-trigger  
**Letter of Authentication with Gun:** Yes; and inspection of the gun itself matches the gun description obtained from the hand-written entry recorded within the original Hunter Arms shipping ledger containing the above referenced serial number. The Letter of Authentication itself is provided by the Historian of the LC Smith Collectors Association, Dr. Jim Stubbendieck, and is information obtained from a certified copy of the original Hunter Arms Company shipping ledgers. Dr. Stubbendieck has not personally examined this gun, and therefore cannot provide any information as to the nature or extent of any after-market modification/s that may, or may not be associated with this gun.  
**Condition/Damage/After-Market Modifications:** All original high condition and uncommon Grade 3-E “Live Bird” (no safety) competition gun completed on Oct. 22, 1909 and engraved in the late pre-1913 Grade 3 format featuring two birds without an oval border on either side of the lock plates. Screw slots remain in excellent condition and there are no after-market modifications with the possible exception of the rubber pad, which could be original? The only damage noted is a lightly chipped pistol grip cap.  
**Notes:** This gun is from the pre-1913 production period. The Grade 3 Smith gun, and all “Live-Bird” competition guns; always represented a special customer order. This example conforms in all respects to factory stated Grade 3-E gun specifications as regards engraving, wood, and checkering – 1 5/8” x 2 5/8” x 14 1/8” to a single trigger.  
**\*\* This gun was not tested for function nor were chamber lengths, barrel wall thicknesses, or chokes measured. – This Description was prepared by Tom Archer**
